

# EXPLOSIVE PERFORMANCE

**Medallion® TL** is an extremely effective contact fungicide that targets turf disease pathogens on the leaf, in the thatch and at the soil surface.

Medallion TL provides long lasting protection in the cooler months from late autumn to early spring.

## Benefits

- ✓ Fast-acting knockdown of microdochium patch spores on leaf and soil surface
- ✓ Gives long lasting control in winter conditions
- ✓ Ideal as a preventative disease application

 **Medallion® TL**  
Fungicide

syngenta®
